## **Terms and Conditions for Electric Vehicle Level 2 Charger Rebate**

- Rebate valid for work done or purchases made on or after January 1, 2022.
- This rebate is intended for Level 2 Electric Vehicle Chargers and Level 2 Electric Vehicle Smart Chargers located within Northern Wasco County PUD's service territory and serving qualified electric and plug-in hybrid electric vehicles with four wheels and having, at minimum, a 16 kWh battery.
- The rebate is limited to one per physical location.
- The rebate payment will go directly to the customer listed at the address noted on the reverse side of this page. Payment cannot be assigned or transferred.
- This rebate offer may be changed or discontinued at any time by Northern Wasco County PUD without prior notice.
- The Level 2 EV Charger or Smart Charger must be rated for 208/240 volts or greater and 12 amps or greater.
- Northern Wasco County PUD reserves the right to inspect installed product(s).
- A copy of a detailed receipt for purchase of the charger along with a photo of the installation must accompany the completed application.
- Failure to provide appropriate documentation may result in rebate ineligibility.
- Applications received that do not meet the program criteria will not be considered. Northern Wasco County PUD reserves the right to request additional information or documentation to process an application.
- Northern Wasco County PUD is not responsible for documents lost or destroyed in the mail via transit or misdirected applications. Submitted program application and accompanying documents become property of Northern Wasco County PUD.
- Northern Wasco County PUD disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance, or repair.
- Please allow 8-10 weeks for rebate processing.

I understand the above and certify that I am a customer of Northern Wasco County PUD, that a Level 2 Charger or Level 2 Smart Charger is installed and operating at the location indicated, and that this address is within Northern Wasco County PUD's service territory.
